Zodiacs Gymnastics Club Inc.

Below: CLP 7 gymnasts learning their floor routine for their Term 3 in-house event.

TERM 2 ROUND UP

CLP Program:

62 of our CLP gymnasts successfully graded their level in Term 2 and received a certificate.

From the end of Term 3 onwards, all CLP 1-5 gymnasts will receive a progress chart to show the skills they have achieved and which skills they are still working hard on. As our CLP 6+ program contains optional skills and skills that are individual to the gymnast, these gymnasts will not receive a progress chart.

If you would like feedback on your child's gymnastics at any stage, please e-mail zodiacsgym.burnie@gmail.com.

ALP Program:

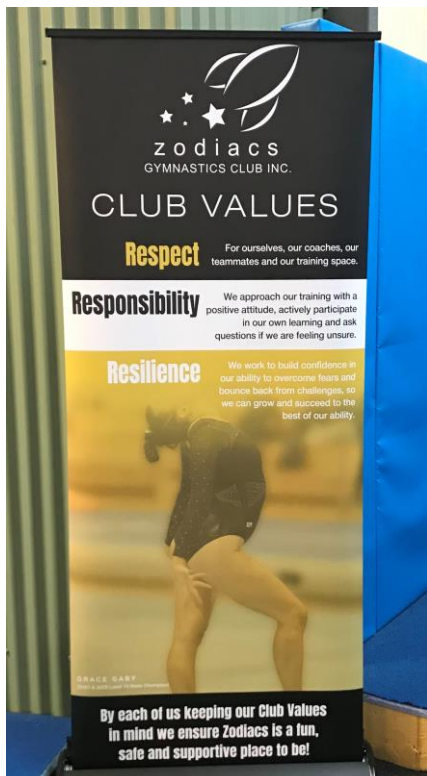

Grace Gaby (ALP Level 10) achieved an outstanding result at the 2022 Australian National Gymnastics Championships. Grace finished 2nd overall, 3rd on floor and received the Level 10 Artistry Award. Grace will represent Australia at the Friendship Classic, later this year in Queensland.

Shaylee Patterson (ALP Level 7) was selected to represent Tasmania at the Biggam Cup, in Darwin. EJ Hickey, our Head Program Coordinator, was nominated as a judge and will travel with the team.

TERM 3 IMPORTANT DATES

7 th August	ALP Level 3-6 Team Spirit
20 th - 21 st August	ALP 3-6 Tas Clubs Competition
10 th - 11 th September	ALP 3-6 Junior State Champs / optional Senior ALP competition
24 th - 25 th September	CLP In-House Event (information will be e-mailed to members during August)

ZODIACS GYMNASTICS CLUB INC. NEWSLETTER

CLUB UNIFORM

We have recently updated our website to include a tab with information on club uniform items that are available for all members to purchase.

You can visit www.zodiacs.gymnastics.org.au/clubuniform to see what items are available and size charts, or alternatively the same information is displayed on the noticeboard in our viewing area.

CLUB VALUES BANNER

Following the 2020 COVID-19 lockdown, our ALP and senior CLP gymnasts took part in a team building evening. They were asked to identify what they believed were our club's most important values.

Respect, Responsibility, and Resilience became our club values and we now have a banner visible to all members, which reminds us how we can best demonstrate these values both inside and outside our gymnasium.

GENERAL REMINDERS - PHOTOGRAPHY

At Zodiacs we are governed by policies and procedures put in place by Gymnastics Australia. A number of these policies center around Child Safeguarding.

- Please do not video or take photos of your child during training if there is anyone else visible in the screen. We ask that if there is something you would like to have filmed and there are other members around, please check with your child's coach at the end of the session. As our coaches often run classes back-to-back, we cannot guarantee it will be possible to film what you would like to, but we will do our best.
- Not all of our members have provided us with photography consent, including some of our coaches. Where consent has been provided it is for marketing and promotion purposes, or for video feedback for our gymnasts when they are learning a new skill. Our coaches have access to our Club i-pads for this and personal devices aren't used.
- If you have asked another parent to photograph your child, you must also advise our coaches of this consent prior to the time.

Thank you for your cooperation with the above. If you have any questions please don't hesitate to ask.
